Procedures And Remarks:	Melbourne Centre 124.9 (in the circuit). HF 3461/6565/8822. Previously named Cherylton. Beware tall trees surrounding the field, the runway 06 and 17 thresholds are displaced but markers are not visible. There is a hump approximately one third of the way along runway 35. Runway 06 slopes down to the north east. Landing from south onto runway 35 is preferred. Airstrip surrounded by six foot kangaroo fence with locked gates, caution: stock are occasionally inside the fence. Overnight accommodation is possible. Private, permission required prior to use. The landing fee is one bottle of Tanqueray No. 10. Contact the aerodrome operator if the gate is locked.
