| <b>Procedures And Remarks:</b> | CTAF 126.7. Brisbane Centre 133.05 (in the circuit). HF 3452/6610/8831. Right hand circuits runway 26. Caution: grass breaking through then bitumen seal, loose stones. Weight restrictions apply for normal operations. Permission is strictly required along with a briefing as the airstrip is not monitored and is subject to unserviceability in wet conditions. If permission has not been granted, consider for emergency use only. Contacts: Bob Priddle 0419 552194 (mobile), Jon Priddle 0419 572194 (mobile). Note: Wyaldra Airstrip is only 200 metres to the north, do not confuse. Be aware that aircraft may also be operating at Wyaldra. There is no taxiway access between the two airstrips. |                       |          |
